

## Shaker Figure Skating Club Warm Up Jacket Order Form

We are excited to announce we will be offering new club warm up jackets to start the skating season this fall! Let's represent the Shaker FSC at competitions, tests, skating events and in the community with pride! We are grateful to have skating parent, Allan Rukin, owner of Hometown Threads, doing the embroidery for us.

We will be offering four different options with a range of prices to suit everyone's needs: Lululemon Black Define Jacket (25% savings off retail cost with group order), Ivivva Perfect Your Practice Jacket (15% savings off retail cost with group order), Charles River Black Warm Up Jacket from Hometown Threads and an option to bring your own black jacket in for embroidery at Hometown Threads.

All jackets will include:

- Back embroidery of the Shaker FSC logo (large)
- Front left embroidery of the Shaker FSC logo (small)
- Front right embroidery of the skater's first name
- Right arm embroidery of the U.S. Figure Skating logo
