US FIGURE SKATING℠

This all-day event offers a skater, coach, parent, and Club Member/Board Member tracks:
• Skater workshop is an intense on-ice workshop on performance execution and interpretation as well as fine-tuning skating skills.
• Board and club member track will provide information on how to effectively manage their club,
grow and develop new programs, and learn how to address conflict within the club and board.
• The Learn to Skate USA Instructor Workshop (October 1, 2017) is designed for instructors, class assistants and skating directors.
This workshop covers advanced roles as a group instructor, skill development, creative teaching techniques,
Compete USA and has an on-ice component. Remember to bring your skates!
• Parents can meet with U. S. Figure Skating Officials and increase their knowledge related to the sport of figure skating.
